VEGASHOTSPOTS.COM NAMES BEST BLACKJACK TABLES FOR CELEBRITY-SPOTTING, POOL CABANAS, AND NEW RESTAURANT IN LAS VEGAS AS VACATION TRAVEL STARTS

LAS VEGAS, June 4, 2003 – **VegasHotSpots.com™**, the only “insider with attitude” website for Las Vegas, today awarded three new “Hot Spot” designations just in time for the start of the vacation travel season. Celebrity-watching dominates this month’s categories, from gambling rock stars to starlets in bikinis. Check them out at: www.vegashotspots.com/hot_spots.

“Best Blackjack Tables for Celebrity-Spotting” – Palms Casino Resort

We prefer cool cats at our blackjack table when we hit or stay on the faces and aces, and the blackjack tables at the Palms Casino Resort are the kitty’s whiskers. Supermodels, “A” list TV and movie actors and actresses, rock-and-rollers, and first-teamers from pro sports are thick in the house here. Pick the right location from the 55 tables and you may find yourself sharing the velvet with an MVP.

“Best Cabanas” – Hard Rock Hotel Beach

When you’re in Vegas to party like a rock star, players know the real action poolside is in the cabanas, and the best are found at the Hard Rock Hotel Beach. These Tahitian-style private huts come loaded with cable TV, telephones, refrigerators, fresh fruit, and misters. But you rent the Hard Rock cabanas for the eye candy: hunks and hotties, movie and TV celebrities, and starlets-in-thong bikinis. Towering palm trees create a castaway lagoon atmosphere. Ginger or Mary Ann? Why not both for Sex on the Beach, the ultra-sexy adult-themed dance party on the beach every Wednesday.

“Best New Spot (restaurant category)” – Prana

This new Euro-Asian restaurant and supper club has put the “chi” in chic. Forget the casinos and celebrity chefs for a night and take a trip to a time and place of opulent French Colonial Vietnamese culture. The principles of feng shui rule here. Created by the An family, known for their Crustacean restaurants in San Francisco and Beverly Hills, Prana was three-and-a-half years in the making. An open atrium is dominated by a giant tulip-like chandelier, while bamboo water gardens, original Vietnamese art, and antiques create a lush atmosphere. Dine on one of the antique opium beds from Vietnam. The food is as spectacular as the décor, from traditional Vietnamese dishes such as pho noodle soup to fusion cuisine tapas.
