VEGASHOTSPOTS.COM PACKAGES “ULTIMATE VEGAS EXPERIENCES” FOR VIPS, BACHELORS, BACHELORETTES AND CONVENTION/CORPORATE EVENT ATTENDEES

LAS VEGAS, July 17, 2003 – **VegasHotSpots.com™**, the only “insider with attitude” website for Las Vegas, today announced its Ultimate Vegas Experience event planning and concierge services that provide Las Vegas visitors with all-inclusive, personally hosted, “behind-the-velvet-rope” nightlife and entertainment adventures. Check out the experiences at: www.vegashotspots.com/ultimate_vegas.

“More than 38 million people come to Vegas every year, including thousands of groups that come to celebrate a life-changing event or close a big deal, and they want everything to go perfectly,” said Scott Frost, general manager of VegasHotSpots.com. “We can provide the exclusive ‘insider’ experience they desire and all they have to worry about is having fun.”

VegasHotSpots.com brings its interactive marketing, event planning, and nightclub host expertise together to create a one-stop-shop for all of the nightlife and entertainment options Las Vegas has to offer. “We are looking to create a true experience for groups that connect emotionally with the visitors. We are not just booking hotel rooms, airfare and selling line passes.”

VegasHotSpots.com offers a combination of dining, transportation, nightclub, gentlemen club, golf, spa, concert, show, skydiving, bungee jumping and many other unique “only in Vegas” products. These products are packaged in several themed experiences - Vegas VIP, Bachelor’s Last Stand, Bride’s Last Fling, and Extreme Thrill Seeking Adventures.

Each package features a personal host and/or hostess to guide you through your evening or adventure. The all-inclusive packages are conveniently quoted “per person” and major credit cards are accepted so the group’s planner can divide up the cost of the experience quickly and avoid the traditional hassle of “kicking in” on the spot.

VegasHotSpots.com provides point-of-view editorial content about more than 100 of the hottest spots in Las Vegas, including what to see, where to stay, where to eat, raging, romantic, or naughty nightlife, and unusual and entertaining attractions. VegasHotSpots.com captures the allure and hype of the "new" Las Vegas, while saluting the history, mystery and attitude that built its international reputation.
